Forecast for Wednesday 23 Jun 2021

Weather: Some clear spells in the east, otherwise cloudy overnight with, especially in west, patchy rain. Mostly cloudy, the cloud mainly above the summits, through the day with, a little rain at times, but for eastern Aberdeenshire and Angus hills some brighter spells, which may trigger a few sharpish showers.

Chance of cloud free mountain/hill tops above 800m: Around 75%.

Visibility: Occasional cloud above about 600 to 750m. Away from cloud, visibility good falling to several kilometres at times in rain or showers.
